

CERTIFICATE OF APPRECIATION

PRESENTED ON BEHALF OF THE
SHIP OBSERVATIONS TEAM
TO

SHIPNAME

For participating in the marine data collection programmes coordinated internationally by the *Ship Observations Team*, operating under the auspices of the World Meteorological Organization and the Intergovernmental Oceanographic Commission of UNESCO through the *Joint Technical Commission for Oceanography and Marine Meteorology (JCOMM)*.

Data collected by ships participating in the Voluntary Observing Ship (VOS) Scheme, the Ship-of-Opportunity Programme (SOOP) and the Automated Shipboard Aerological Programme (ASAP), support a wide range of meteorological, climatological and oceanographic applications.
